Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Monday 12 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold and dry overnight. Sunshine and a few showers Tuesday.

This Evening and Tonight:
Today's showers quickly easing during the evening leaving dry conditions overnight. Cloud will take longer to disperse but skies will be largely clear by dawn. Feeling cold, with another widespread frost. Minimum temperature -2 deg C (28 deg F).

Tuesday:
After a bright and frosty start, cloud will gradually increase throughout the day bringing occasional showers along with it. Still some sunny spells though. Feeling milder than Monday. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Largely dry, with the recent pattern of sunny mornings and cloudier afternoons continuing. A few light showers possible on Wednesday. Gradually becoming milder, though still rather cold overnight.
